ORANGE COUNTY WINE SOCIETY

Member

June 2008 – Present

My husband and I were originally given a membership to the OCWS as a wedding gift from a good friend who is also a member. We had attended events with her prior to joining and loved the people and the atmosphere. As members, we try to volunteer for as many activities as possible. This past year I was privileged to serve as a committee member for the Wine Extraordinaire after emailing the coordinator some information regarding restaurants that wanted to attend and prizes I had secured for our raffle/silent auction. I look forward to being a life-long member of the OCWS, contributing to the success of the organization and encouraging as many friends as possible to join as well.
