**STATEMENT OF CANDIDACY
OCWS BOARD OF DIRECTORS**

RICHARD RILEY

QUALIFICATIONS, SKILLS AND EXPERIENCE

My appreciation of wine is extensive having traveled to all of California's major wine producing appellations attending seminars, tastings and purchasing wines. I have also traveled to Germany and the Tuscany region of Italy to partake of wine seminars and wine tasting. My commitment to OCWS started with working as a steward at the past three wine judging events and also included one bagging experience. I have also worked numerous shifts at the Courtyard venue during the Orange County Fair. This year was no exception as I worked 6 shifts.

My general knowledge of OCWS activities also includes attending numerous sponsored events such as the wine paired dinners and the Wine Extravaganza.

Organizational skill were developed and finely tuned during 40 years working in the aerospace industry steadily advancing up through the organization to ultimately lead a team as Program Manager of a large rocket contract from the Air Force. Duties included budget management, forecasting and compliance to budget of multi million dollar contracts.

I am retired and have the energy and ambition to make a positive contribution to the OCWS as a member of the Board of Directors.
